ARZA, the latest addition to the vibrant West Bay community, is designed to offer high-quality, value-driven residential living in Cayman.

Unit F3, located in Phase 1 and set for completion in Q4 2024, is a beautiful second-floor 2-bed unit.

This chic end unit offers abundant natural light through its large windows, a substantial kitchen island, and high-quality finishes throughout.

From a walk-in shower to the free-standing bathtub and extra storage space, this unit has it all.

The design focused on maximizing space utilization without compromising on style. It features a generous Den that can be used as a home office, baby room, or extra storage.

Crafted with meticulous attention to detail, ARZA's open-plan layouts prioritize both functionality and comfort. Inside, you'll find stylish accent walls, 9-foot ceilings, acoustically insulated interior walls, premium finishes, stylish lighting, and modern appliances and fixtures throughout. Residents will also enjoy community amenities such as a large pool, gym, rooftop lounge, and ample parking.

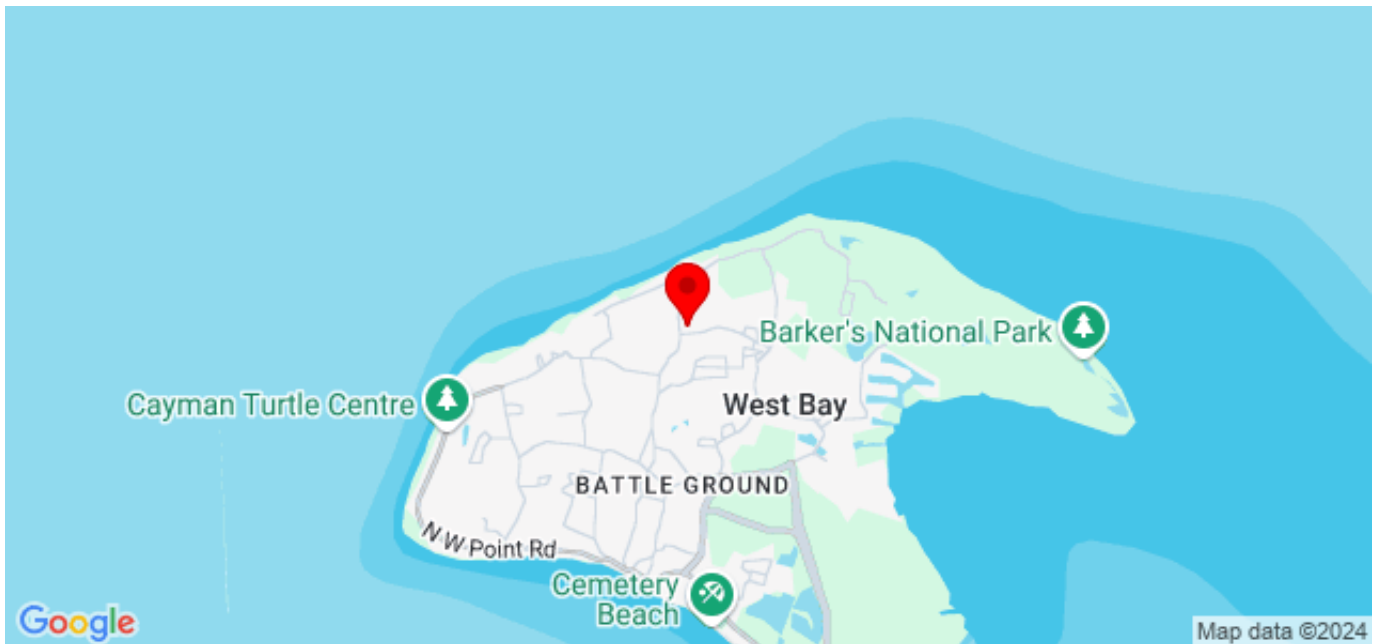

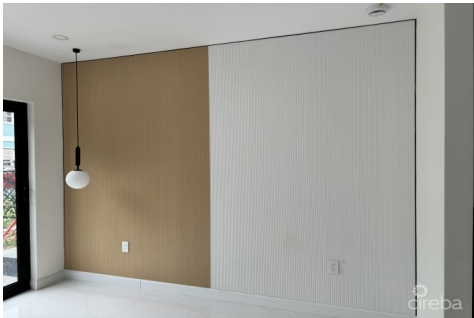

As construction progresses, the developers have added upgrades at no extra cost.
