### Description

---

#3 La Serenidad: a generously sized 1-bedroom/ 1-bathroom condo featuring a bonus den. The living area and kitchen are spacious with an open plan arrangement, and lead to a sizeable bedroom.

The den area, a rare find, includes built-in shelving and desk space, making it an ideal home office or additional bedroom.

Upgrades include:

- Modern appliances
- New flooring throughout
- Conversion of bath into a walk-in shower
- Accent tiled wall in living room
- AC unit replaced within the last three years
- A charming built-in window seat
- Attic conversion into a functional den area

A thoughtfully designed deck area overlooks beautiful gardens and provides a perfect spot to enjoy cool afternoons among the surrounding fruit trees.

The property is situated in a charming complex within a peaceful neighbourhood.

Inventory at this price point, for a unit of this size with the additional den space, is very limited, so we expect this unit won't last long.
